Vietnamese Alliance Church, Houston, Texas

Dear Friends,

We hope you enjoyed the beautiful color newsletter that we sent out in August. It was made possible by our wonderful friends at Walking Faith Ministries who have a color copier.

We were so blessed to minister to the children at the Vietnamese Alliance Church here in Houston. The children were so inspired and sang loud and joined in. It was a real joy to minister to them and we were very impressed with how the children sang!

The people at the church were very interested in our ministry and got a lot of materials. One lady was so inspired she got 6 of our videos!

It was amazing to hear stories of how some escaped from

Viet Nam. One woman shared with us the thrilling testimony of her family's miraculous escape from Viet Nam during the fall of Saigon!

Amy is a part of a local youth group at New Life Christian Church where she has been participating in their Fine Arts program in drama and ensemble. The end of July she went to the national competition in Washington DC and the drama got 10th in the nation and her ensemble won 3rd in the Nation! She and two other girls sang a song called, "Sweeping Through the City"! They had such beautiful harmony! They won first place in our book!

Amy

Amy has a dream to do her own CD while she is 15. She already has written many songs of her own and the Lord gave her an idea for the cover. So we will be working on that project. If you have a desire to help with this project let us know. We know it will be a blessing to many. Please pray for this project.

School has begun! It seems each year we have to get desperate with the Lord and ask Him where the children are supposed to go to school! Last year as some of you know we were on the road and the children home schooled.

That was a blessing and a burden. With traveling and ministry the children had to work real hard to get their studies done and wait on Mom to get the time. The blessing part was that they got an education seeing and going to many nice places and meeting many wonderful people. We had a good year last year all in all.

Brooke, Amy & Samantha
Washington D.C. Fine Arts Competition

This year they really had a desire to go to school. "Delight thyself also in the Lord and He shall give thee the desires of thine heart." Psalm 37:4

Sometimes we say we serve "the God of the Last Minute!" The Sunday before school was to start on Tuesday, we heard about a Charter school where the children could attend for free and have dance lessons as a part of their curriculum, which has been one of Amy's desires. It's called Katy Creative Arts School. At the last moment we gathered up school records and filled out applications. We were told there was a waiting list.... But the Lord miraculously gave us favor and all of the children were accepted. Praise the Lord! Even John is taking choir, ballet, jazz and tap dancing! The kids are getting an opportunity to be salt and light as there are students there who are not Christians.....yet! Amy started a prayer group before school and they are reaching out to the lost.

We have been blessed with a good youth group for the kids that has a burden to reach out and win souls. Pictured below Amy & Melody in a drama that they performed in a public park in Brookshire, Texas.

Dial-A-Story! Gospel Phone Line!

Recently we have been thinking of starting a Dial-A-Story phone line at our home. We have many stories that we could put on for children to hear. Some of them we dramatized and produced ourselves. This would be a great follow up and way to feed children after we minister in outreaches and churches.

Right now we are researching what type of machine to buy that would be able to use a cassette or something similar for the outgoing recording.

If you know of something or would like to help with this project let us know. Perhaps you would like to sponsor the phone line cost, or you would like to do it in your area. We could let you know what we find out. Let's win the lost to Christ and give hope to the children! "Their line is gone out through all the earth...." Ps 19

Spanish Outreach!

A few years ago we did an outreach in an Hispanic neighborhood here in the Houston area. The Children's Activity Center recently had a truck converted to a Side Walk Sunday School truck and have offered to let us use it for such an outreach.

So please pray with us about this. If you are interested in helping with this, please let us know.

Perhaps you would like to help provide a snack or prizes, pay for the gasoline, help translate I into Spanish, help purchase tracts

or do follow up in the neighborhood. "The harvest is truly plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into the harvest."

Mat 9:37 & 38

Mom's must feed themselves!

Have you ever heard that old saying, "A man works from sun to sun, but a woman's work is never done!" I know that this is true for some men as well! (like my husband)

There is always so much to do and we live in a very fast paced society. How can we overcome and feed ourselves when there are great demands on our time especially for moms with young children?

Well here's a few little things that I have found helpful.— When I am doing dishes and cleaning I put on a good praise and worship tape or CD and worship along with it, or listen to a teaching tape. Folding laundry has never been more glorious! I know Stephen will sometimes put on a good teaching tape when he is in traffic! Most of the time he tries to avoid it! Ha!

Also I have loved and rocked my children in the rocking chair singing and praying as we rock. That's how I got in my prayer time!

Need to read my Bible! I read it out loud to my children as they go to bed and I get my Bible reading done!

Going to bed and you're just beat—I put on a scripture tape and set my mind and spirit at ease and

Do You ever feel like Quitting?

By Adria (Mother of 12)

I guess we all have felt like quitting from time to time. I know that when my children have had some problems that I thought were my fault, I wanted to find the place where I could resign as Mom, but I couldn't find it!

You know being in children's ministry you feel kind of like a Salmon! (That's Miracle's favorite food!) I haven't met many people who really desire to be fulltime in children's ministry.

We have had friends in children's ministry and they have gotten out of it, because it is a real struggle! How is it a struggle? Well, many people do not see the value of teaching children. Most people that are in the ministry would rather minister in the main sanctuary. There's more glory number one and also there is more money! People value the pastor and the visiting evangelist...but those ministering to the children?

Ministering to children for three hours straight takes a lot of prayer, inspiration and energy!

So many wonderful ministries close down and seek secular employment so that they can make it. Recently we have had that temptation too! But we know that we are called to do what we are doing! We are hanging on by faith! It has been a real struggle recently and our faith has been tested! But we are believing for a breakthrough.

We are sharing all of this to ask you to continue to pray for us! We can't do the Master's Work without the Master's Power and Pro-

As one man brought out all scripture is "inspired" by God, but these 10 were also "inscribed by God--written by the finger of God." Ex 31:18; Deut 9:10

They may be able to take the stone monument out of the government building, but they can't cut it out of our heart.

Do you know all 10 Commandments in order? Try to recite them from memory

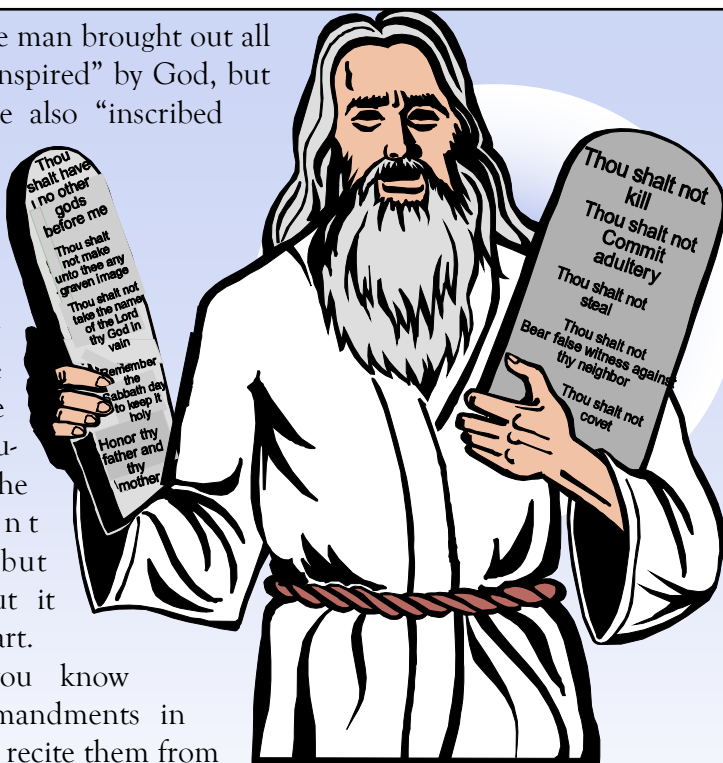

and see how you do. Below 70% is failing! (Really any less than 100% can be detrimental to your spiritual health!

Here's the Ten Commandments in Verse

*Thou no God shalt have but me
Before no idol bow the knee;
Take not the name of God in vain
Dare not the Sabbath Day profane.
Give to thy parents honor due:*

*Take heed that thou no murder do;
Be always pure in word and deed;
Steal not, for thou of God art seen:
Tell not a lie, nor love it:
What is thy neighbor's do not covet*

We have a special Heart Club Badge for those who know them by memory and in order please!

vision. Also we need prayer warriors to uphold this ministry.

In the last newsletter we sent a little flyer asking people if they would like to be monthly partners with us in this child evangelism effort. Thank you if you sent something or decided to help.

If you didn't, would you consider starting! There is a generation that needs to be reached! We are trying every means to do the job, TV, crusades, meetings, outreaches etc... Do you feel led to help us? We sure appreciate all of your help and certainly can't do

it without you! Thanks so much! "inasmuch as ye have done it unto one of the least of these..... Ye have done it unto me." Matthew 25:40

If you feel that you are a lost lamb or a stray sheep, just pray this simple prayer:

Dear Jesus,

**Thank you for dying on the cross for me,
and rising again to set me free. I open my heart and
ask you to come in. Forgive me for all my sin.
Make me to be Born Again!**

In Jesus Name, Amen!

The Power of a Sincere Prayer

One young lady after hearing the good news of Jesus Christ and Salvation was given a tract with this prayer on the back. Being in the valley of decision and in confusion of mind as to what to do about her plight she cried out to God, "What must I do to end this struggle?" An impression came to her, "Read the prayer on the back of the tract in your pocket and mean it!" Twice she was impressed to pray the simple prayer. At last she did an in her own words, "I felt as if the weight of the world had lifted off me! I was truly free!"

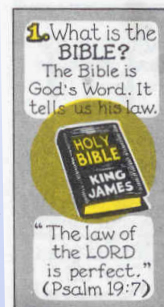

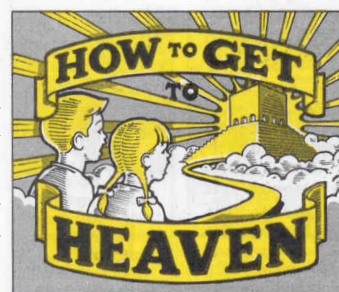

That was Mrs Laura Pinckney today, wife of Rick Pinckney and mother of 3 beautiful children. Since that day in June 1994 They have spent 5 years as educational missionaries to Korea. They are now back in Michigan where Rick is furthering his Biblical Studies. They both traveled with the Star Family Singers during their first few years of full time service to God. We recently found their testimony on a cassette tape entitled "Happy Clown & Friends"—an inspired 30 minute presentation. If you would like a copy just ask—send a little something to cover costs. Meanwhile pray for the Pinckneys as they "follow on to know the Lord"

Do You Know How to Get to Heaven from here?

Here's a great way to witness. Ask someone, "Do You Know How to Get to Heaven From Here?" as if you were asking directions! The reactions are very different! Most of the time people say no unless they know the Lord! Then we give them this Gospel Tract. They are very inexpensive and can be ordered from:

FELLOWSHIP TRACT LEAGUE,
P.O. BOX 164
LEBANON, OH 45036.

Just send them a donation to cover costs. You may also order this same tract in Spanish! It's a fun way to be a witness for the Lord!!
