The Lord miraculously gave us a booth at the Teach 2004 Conference at Second Baptist Church here in Houston. We were able to get out a lot of our CD's, videos, and information about the Hide the Word In Your Heart Club and network with many other ministries!

Dear Friends,

We just wanted to touch base with you before we launch off into summer ministry. We love each one of you and really covet your prayers!

We have had some challenges and tests, but they have brought forth testimonies! We really thank the Lord for his faithfulness and your prayers and of course support.

It was a blessing to hear and meet Max McLean who quotes many passages of scripture by memory. He enjoyed hearing John quote John 1:1-14 and asked those around to stop and be quiet so he could hear John and with a big smile said, "Great don't stop!" He really challenged us. Johnny Tsai and Amy recording her new CD

Johnny Tsai flew in from California to help Amy record her new CD. He spent a week here in Houston and they were able to lay down the basic music tracks for 13 songs! Thanks Johnny!

Gary McClatchy pictured right has begun production adding drums, bass and other instruments.

Amy sang "A True Story" at the Annual Choir Concert at Cy-Springs High.

After having a great desire to minister to children on a weekly basis the Lord caused us to meet Joseph, the English pastor of a local Korean Church, KPCH. We now minister 3 times each Sunday when we are not ministering at another church.

The children there are precious and are all learning their first badge! We missed the Asian children! We love the people, who are very friendly and also enjoy the Korean lunch each Sunday!

“We Are Blessed” Coloring Book

A sweet young lady named Kim Kelly (age 12) drew some awesome illustrations to go with the “We are Blessed” CD. They have now been laid out with color front and back covers. It is now at the printer. The coloring book will be ready soon! If you would like to get a copy let us know.

Prayer Requests

1. Pray for God’s will for the summer ministry, safety traveling, anointing, & souls to be saved and touched.
2. Direction as to where the children are to go to school next year.
3. Pray for a new printer and scanner - Ours went Clunk! Clunk! And stopped!
4. Agree with us that all of the financial needs will be met.

Television Program

The work on the new television program is moving right along with the help of Caleb who works at the Children’s Activity Center two days a week. He has created some really cute animated bumpers! Please pray for us in this project.
