## Happy Thanksgiving

*O give thanks unto the Lord; for he is good: for his mercy endureth for ever. Psalm 136:1*

Dearest Friends,

We want to take this opportunity to wish you all a Happy Thanksgiving. We are so glad for a holiday where we stop and give thanks to the Lord for all of the blessings that he has bestowed upon us.

We are very thankful for all of our friends! You are such a blessing to us! God Bless You! We thank you for your prayers and for your support. We can't tell you how much it means to us and how much we appreciate it. Thank You!

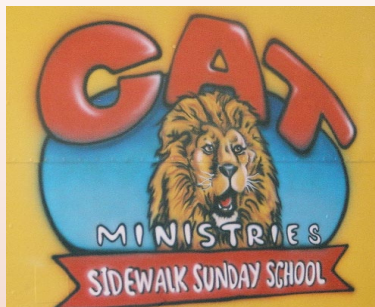

All that we accomplish you have a part in because without your prayers and support we would be unable to do the things we do. Thanks!

It looks as though we have to move over the Christmas Holidays from

the Star Haven property which might keep us from

getting out a newsletter for a while, so here is the most recent news.

It has been a great blessing to go out on the CAT Truck! That's the Children's Activity Center Sidewalk Sunday School Truck. They have a wonderful ministry going several times a week out into the inner city of Houston.

# We Are Moving!

We would like to ask you to pray for us! After living for 16 and a half years at Star Haven we have received word in November that we will need to move by December 29.

We have been so blessed to be at Star Haven. We have known from the beginning that when they decided to develop the land we live on that we will have to move. Well the day has come!

We are blessed to have our motor homes and if need be we can live in them and store the furniture and other things that we have.

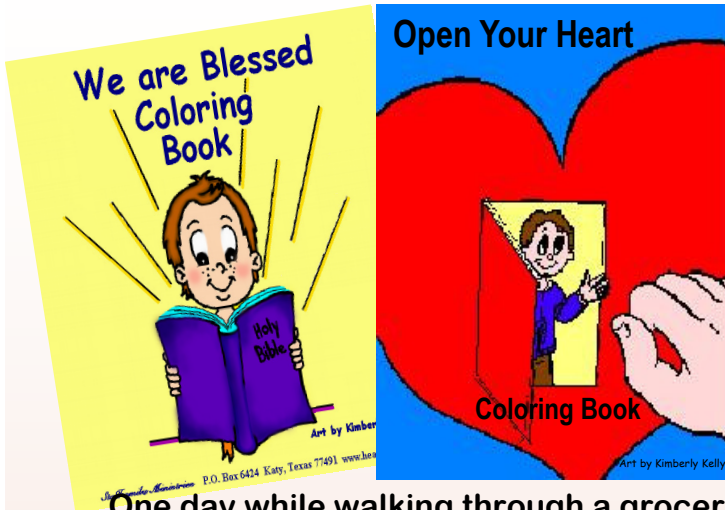

Before we came to this property the Lord had spoken to us that there were people that had houses that they were not living in and they could let us use them. That is just what happened. We were given the use of a property with two houses many years for no rent and in recent years a very reasonable rent. Our landlord has been very good to us and very gracious. God Bless Him!

But now we must move on to the next mountain! If you know of any properties where we can park our motor homes or that may have a house please contact us at (832) 423-7105.

So please keep us in your prayers this holiday season that the Lord will supply a new home base for us and that we will have the grace to make this change. Thank You!

## Coloring Books!

One day while walking through a grocery store and seeing some questionable coloring books Stephen was impressed of the Lord to do coloring books for each of our CD's!

They are all three near completion!

## Bees!

*John and the Beekeeper with Bees in a Box*

We had a bee hive move into one of our houses at Star Haven and we have all lived in harmony until recently when the bees became very aggressive!

God Bless Terry and Mike! They came and worked 3 different days to take out over 150,000 bees ! They said it was the second worst one they had ever taken out in 30 years of bee keeping! We Praise God for His protection!

## Prizes!

Here's John with some of the prizes for the badges! Holy Bears! The bear in the center has the message of Salvation with all of the colors of the Wordless Book! We give that bear for the first badge!

There are other prizes too! A Coloring Book and a CD, and many more! Would you like to help donate to the scripture memory prizes fund?
