

Are We Moving?

A little over 17 years ago, the Lord spoke to us one day after we had been ministering on the road in our motor homes without a home base and said, "There are people that have houses that they are not using and they could let you live in one." We agreed, "Yes Lord, that is possible!"

Shortly after that we were given the use of a double wide mobile home for about a year and then we were compelled by a couple to move to Houston, Texas. They managed a property that had two houses. The property was waiting for the right time to be developed and had two houses on it to establish the Utilities District. So this couple compelled us to come and live in the two houses and to occupy the property until it was sold to be developed.

That was sixteen and one half years ago! The first years we lived here rent free and in the most recent years we have been paying rent.

Development is happening all around us! So our gracious and generous landlord told us that there is a contract on the property and if it goes through we will have 60 days to move. They are really hoping to sell the property we live on before the New Year.

Please pray for us that the Lord's Will will be done and that if it is time for us to move that we will be in tune with the Lord and moving in His will as to where he wants us.

We are so thankful that we have had this home and home base for over 16 years! That's a miracle! God is Faithful!

We are also thankful that we have our motor home! The Lord's Will be done!

If you know of someone that has a property or housing that they might like to let us use for ministry purposes, we are a 501c3 non profit organization reaching families and children with the Gospel. We would be glad to talk with them. "His ways are higher than our ways" Isaiah 55:8&9 You may contact us through our website or at: Star Family Ministries, P.O. Box 6424, Katy, Texas, 77491. Meanwhile please pray and agree with us that God's Will will be done with this property. (Matthew 18:19 &20)

China 2005?

God is so awesome! It is so wonderful how the Lord works! On our recent ministry trip, we were in Los Angeles staying in a family's home that were away in Taiwan. They had an internet hook up, but this morning no matter how many times we tried the internet would not work. We really needed to check some things on the internet so we decided that after we went out to lunch with the pastor we would have to go to the church to use the internet.

We had a great time of fellowship over lunch and then went to the church to use the internet. As Adria was sitting at the computer she heard someone say, "Star Family!" She looked up and to her surprise it was the wife of the man who had been our sponsor and taken us to China in 1994! Her husband was with her! What a surprise! We hadn't seen them in 10 years! And here we were and here they were just "dropping by the church" after arriving in the country from Hong Kong! It was God's appointment! We were so blessed to see them again! We shared testimonies and showed them our program on the internet. It was a glorious time!

Then as we were finishing our visit he said, "Pray about coming to Shanghai, China. If the Lord leads you to come, contact me and I will pay your way. We have a big house there and a recording studio and musicians. Come stay a month or two! Take a vacation!"

What a vision, to go to China in 2005! We right now have someone translating some of our songs into Chinese. We would like to make a Star Family tape in Chinese! Wouldn't that be awesome to hear "Open Your Heart" in Chinese? Please pray with us about this trip.

We returned to the house where we were staying and guess what? The internet was working!
