Dearest Friends,

We pray that you are doing well and are blessed!

Some of you are probably wondering where we are now after our big move and scale down this year.

Since we did not have any other open doors or leadings from the Lord, we signed a lease for another 6 months in the apartment.

It is amazing that we are in an apartment. We have never lived in one and did not even consider it! Many times God's ways are not our ways!

This provision is a blessing and we are enjoying the benefits of smaller spaces. The care of such a large property was consuming our time and re-

sources. We can now focus on ministry projects.

This may be a stepping stone to somewhere else more permanent so please keep our housing situation in prayer. Thank you.

Mexico Mission

Amy, Melody and Mercy went on a Mission Trip to Mexico. It was a very blessed trip and life changing for the girls. They helped with skits, songs and witnessing. Many lives were touched and souls were saved!

Outreach

We are blessed every time we go out with the Children's Activity Center!

In March we did special Easter programs with them in the inner city. It is such a blessing to see the children who's lives are being changed by the Activity Center's faithful outreach to them.

They are truly making a difference in so many lives.

The Weather has been great for..... Camping!

It was great to take **two** ministry camping trips in March; Stephen took a youth group from a local Korean Church and Adria took the children she ministers to each Sunday.

For many it was their first time camping!

Stephen's group stayed in a shelter at Stephen F Austin State Park.

It was a great time of spiritual retreat as well as camping!

Adria's group roughed it in tents at Jellystone Park in Hempstead, Texas.

We all had great times of worship and devotions and great weather!

A good friend of ours has spent his spare time for the past seven years building a castle. It is almost done. He gave us all a tour! The kids loved it! Thanks Mike!

On the road.... To Austin, Texas!

We ministered to the children for a four day Chinese conference in Austin, Texas.

It was awesome! The children were so hungry for the Lord and His Word!

The spirit of the Lord moved in such a mighty way. The children were weeping and really touched by the Lord.

Stephen asked one of the boys, "What are you feeling?" He answered with tears, "It's a bitter sweet realization." He was 9 yrs old!

Many of the children got their first badge! They all learned Psalm 23!

You just felt like many people had been praying for the children's meetings and God was answering! We were privileged to be there and be a part of what He was doing. Thank you for helping send us.

Happy 83rd Birthday!

New Coloring Books!

We now have coloring books to go with each of our 3 CD's! Kids love them. They color as they hear scripture sing it's way into their heart.

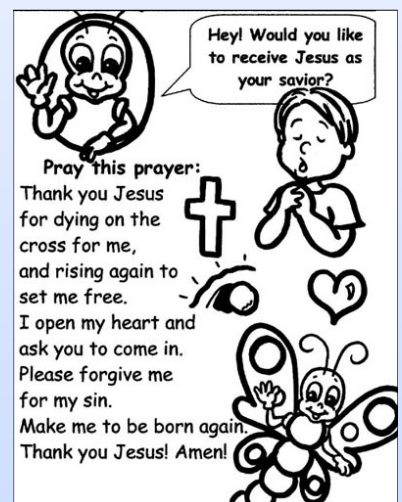

If you would like to get your copies please drop us a line and send a donation to help cover costs! Thanks!

Here's a new little tract that we have just finished for children!

Kim Kelley drew the illustrations to go with the Gospel Caterpillar Salvation story and did a really cute job.
