Merry Christmas!

Dearest Friends,

Season's Greetings to everyone! We want to wish you a very Merry Christmas and we pray that you will have a Blessed New Year!

Thank you for all of your prayers and support in 2005. We appreciate your love, friendship, fellowship, encouragement, prayers, and financial help.

We are praying for you that you will be blessed in every way; spiritually, physically, emotionally, financially.

This past year has been a blessing for our family with many new projects completed and started for which we are very thankful, also much ministry to children in the churches and the inner city.

We have been very blessed to go out on the CAT inner city ministry trucks this year. (see pg 2) Thanksgiving we spent on one of their sites ministering to the children singing and doing puppets. Adria was especially touched to talk personally with some of the children and get to know their situations. It is very heart rending. One very helpful young boy was beat on all the time because he was from a different ethnic group. Another boasted that he was "bad" in school. Adria shared the gospel story with him and told him Jesus did not want him to be "bad" in school and he prayed with her to receive Jesus. Jesus is the answer! He can make the crooked places straight!

18. Now the birth of Jesus Christ was on this wise. When as his mother

Mary was espoused to Joseph, before they came together, she was found with child of the Holy Ghost.

19. Then Joseph her husband, being a just man, and not willing to make her a publick example, was minded to put her away privily.

20. But while he thought on these things, behold, the angel of the Lord appeared unto him in a dream, saying, Joseph, thou son of David, fear not to take unto thee Mary thy wife for that which is conceived in her is of the Holy Ghost.

21. And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins.

John and Miracle helped act out the story of the First Thanksgiving while Adria told it to the children. John was Squanto, the Indian that the Lord sent to help save the Pilgrim's lives! We learned from a book that Squanto was kidnapped three times and taken to England and Spain where he learned English. We shared with the children how he turned abuse to blessing!

all were invited to

Chinese Missions Conference TCA Austin, Texas

At the mission's conference in Austin we had the children for 3 sessions. We shared the Thanksgiving story, Squanto's plight, The Ten Lepers and the life of Paul from his conversion to his imprisonment in Rome! There was also time for Action Songs, Puppets, Object Lessons, A Dinosaur DVD by Kent Hovind and Dr Kaboom and Dr Kabang! We had a great time!

Flash From the Past!!

Here is a cute little picture of the first five taken about 18 years ago! These are the five little stars the Lord used with their parents and others to help pioneer children's ministry in the 80's. Much of the precedent set by children in ministry today is due these great kids. Where are they today?

Paul is married to a sweet girl from Mexico named Laura. They now have two boys ages 2 and 7 months. They live in Dallas and Paul works for TD Jakes ministry and is also a Home Inspector. Regina is now a Junior in college pursuing a degree in business. Ginger is a licensed massage therapist and lives in Australia. Aaron has lived in San Francisco and is presently living

and working in Houston. Faith is married to a great son-in-law Kyle and graduated Cum Laude from Texas State University and is now working with the state in Austin. She has a degree in Environmental Sciences.

South Africa

If you remember in our last newsletter we spoke about a letter received from a TV station in South Africa. They wanted to air our TV programs on a Satellite television station that has a potential viewership of 80 million people specifically all across Africa and the surrounding islands. We shipped them 50 programs and they started broadcasting them in October!

We have already been getting some response. We received a letter from a Sunday School teacher requesting information for her 50 students on how they could become members of the Hide the Word In Your Heart Club and earn their badges. South Africa Here We Come!
