Dearest Friends!

Here we are dressed up for snow! We were blessed to have a little snow in Houston for Christmas! Of course all of the children loved it.

We know our friends who have not heard from us are wondering whatever has happened to the Star Family?

The deadline to move from the property where we have been living for the past 16 plus years was December 29, 2004.

There was a lot of ministry scheduled during the Christmas season so we decided to go ahead and minis-

shopping. There were crafts, games and ministry by the Star Family and gifts for each child.

We had a great time! What a great idea! The children had fun and were ministered to while the parents have some time out!

We also did a small Christmas play at the church where Miss Adria ministers each Sunday.

We also ministered at the Full Gospel Korean Church and had a blessed evening!

Well what happened about the move? It turned out that the best time to move out was over the Christmas Holidays! The kids were out of school and people were off work so they could help!

Where were we going? By a miracle a couple that we knew in the past learned of our move. They had sold a home, moved into an apartment and then found a new home leaving 3 months on their lease.

They did not want to break the lease so they planned to pay it and were hoping the apartment would not be empty for three months!

When they heard of our move through another friend, they right away said we could live in the apartment! So here we are in a very nice big apartment in Katy till the end of March! God is Faithful!

Thank You Paul for sacrificing your Christmas va-

cation to help us all! We certainly could not have made this move without his help! He was like a moving machine!

At the writing of this newsletter we just completed cleaning up the property and closing the two houses!

We were blessed to be able to send clothes and furniture on the TBN ship to Haiti this month as well as to sow lawnmowers, beds, furniture etc locally to the needy.

We are believing the Lord for a home base and a home for the Star Family! Please keep us in your prayers. Psalm 44:3
