Mercy, Adria, Melody, Amy, Stephen,
(Front) John & Miracle

Faith graduated Cum Laude from Texas State University with a Bachelor of Science degree!

Amy graduated from Faith West Academy with Honors! She is now attending Institute for the Arts in Austin, Texas.

Dearest Friends,

Here we are at the close of summer and a very busy, blessed and fruitful season. Words and pictures can't express all that the Lord has done! We didn't even take pictures at some of the ministries!

As we wrote our last newsletter we had been contacted by someone in China that wanted us to do a Summer Camp for 500 children. We did a lot of work organizing, building a team and getting curriculum ready and at the last moment the trip was canceled till next summer due to a conflict with the workers who would be interpreting for us! God has a time!

There was still lots to do on the homefront with VBS's and other ministry! So off we went!

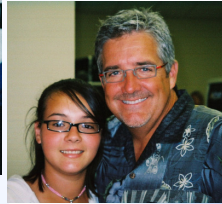

We ministered at a week long VBS at KPCH. Pictured here are some of the children watching the puppets! What we didn't catch on film was when the Holy Spirit fell and the children came forward for prayer and many were touched and weeping. God did a mighty work! What a blessed time we had!

Our ministry at KPCH finished Friday and we broke down the equipment and immediately packed it up and traveled to Austin, Texas where we started on Monday a week long VBS for City Worship Centre where the Spirit of the Lord continued to move. We had quite a few children get their first badge!

Emily getting her first badge and prizes!

Happy faces of the children at City Worship Centre watching the puppets. "Jesus Loves the Little Children"!

Mercy was blessed by a very encouraging word from the Lord through Pastor Joe Cruse

Melody and Amy singing "Carry the Light" City Worship Centre of Austin, Texas

Star Family ministry team pictured with pastors Joe and Becky Cruse of City Worship Centre Austin, Texas.

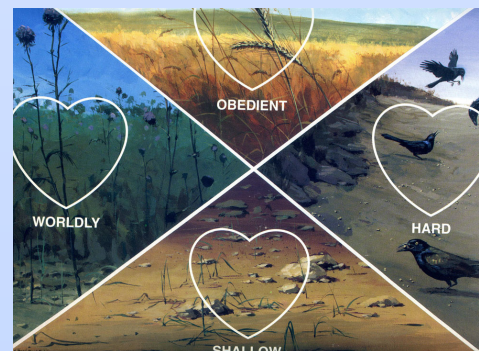

Here's Melody and Amy doing puppets for the children! On the right a new puppeteer emerged this summer! Miracle age 6 (pictured right), started tirelessly doing puppets for almost every song! She even arranged herself a microphone and talked to us out front! Her puppet is named Sarah!

Believer's Fellowship Church

We thank God for how the Holy Spirit fell while we were sharing the Parable of the Sower. Parents and children were in attendance to kick off the VBS meetings at Believer Fellowship Church. Many families were touched by God. To God be the Glory!

Parable of the Sower

"Suffer the little children to come unto me, and forbid them not: for of such is the kingdom of God." Mark 10:14

Iglesia Sobre La Roca

It was a blessing to minister to Hispanic children from many countries at Iglesia Sobre La Roca. We were also blessed to see a little boy of barely four share Bible Stories in Spanish. He was really cute. He would stand and recite from memory the stories of Jonah, Samson, and David & Goliath for about 8 minutes each, non-stop with feeling and special effects! His father told us he learns them as his Mother reads aloud to him each night.

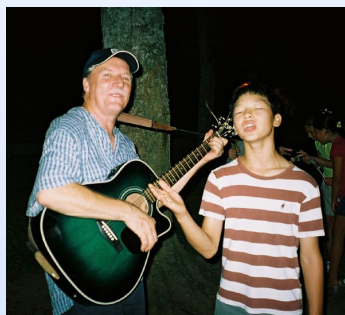

The Hide the Word In Your Heart Club is also in Spanish so the children were able to get the badges in Spanish! How great to hear them quote scripture in another language!

We were also able to share the stories and songs on two huge screens while we ministered!

We felt very 21st century!

Amy, Mercy & John did a ministry at **New Zion Fellowship**. Mom and Dad were committed somewhere else!

Stephen ministering at a youth retreat at Stephen F. Austin State

John & Miracle with Limpy the Clown whom we met in Austin! He was a professional entertainer that was mugged and injured, came to Jesus and now ministers to children! Scars into Stars!

Travis Christian Assembly Fall Conference

We had eight straight meetings with the children attending the Fall Conference at Travis Christian Assembly. They all learned Psalm 1 my memory as well as many Bible Stories and Missionary Stories. We had a great time!

One morning at the end of a session the Spirit of the Lord fell on the children and they were weeping and praying. It was awesome!

It is always a joy to minister to the Chinese, Korean and Asian children as they are hungry to learn and really eat up the Word of God when you minister it to them.

We teamed up with Metro Church and the Children's Activity Center to do an outreach at a Wal-mart parking lot in North

TV News!

The "Robert Is a Dunce" program is now complete and available! You will want to get a copy! In it we share the story of Robert Morrison and the Miracle Man!

Two more programs are near completion as we write!

Available on DVD or VHS

Letter via e-mail

Dear Star Family,
I really appreciate your ministry and am hoping to get my children involved in the scripture memorization. We've been watching you for about 15 years whenever we can catch you. I even watch when the kids don't.

We used to live in Katy several years ago and attended Tri-County Baptist. I had the opportunity one time to take some of your children along with mine to see the Power Team. I remember them as being very kind and polite children.

We are in WV now and I was so glad to come across your website and find your show on Sky Angel.

My 7 yr old son is watching every day for his Hide the Word in Your Heart Club book and tape. He is working hard to memorize Psalm 23.

God Bless,
Linda Howard

We received communication from South Africa that they would like to air our TV programs on a Satellite television station that has a potential viewership of 80 million people specifically all across Africa and the surrounding islands. Their footprint also covers Europe and the United Kingdom on the VIVID platform, and reaches out globally via the internet. We shipped them 50 programs and they should start broadcasting them in October!

We also just recently shipped 10 first and second badges with prizes to a Christian School in South Africa!

Star Family Ministries is a non-profit organization that ministers to children, mentors youth, helps families, and encourages the elderly. All gifts made out to Star Family Ministries are tax deductible.

Here are some examples of the fantastic artwork drawn by our teenage friend Kim (age 15) to illustrate the stories of Mary Jones and Robert Morrison.
