It was such a blessing to share the opening and closing devotions in the 5 day Vacation Bible School at Korean Presbyterian Church of Houston. We look forward to it every year! The spirit of God visited us and we were all weeping and praying together at the altar.

We made a power point presentation of the tract Charlie's Ants that shares about how Jesus came to earth to save us.

Believer's Outreach Church

Forgot to take Pictures!

We were blessed to share in a morning and evening service at Believer's Outreach Church in Spring! We shared all about the Armor of God Ephesians 6:10-18! We also shared "I Am a Lion", and played the Mousetrap Game! It was so good to be with our Brother Jim Burns once again.

It has been a joy to watch Miss Adria teach the children using the modern media of Power Point Computer projection! We are able to project on the screen large pictures that teach powerful lessons. We must impart God's Word to the children's hearts.

Lightweight Laptop??

If you or someone you know has a lightweight laptop that we could borrow that would be good to use in our travels teaching children, Miss Adria would be most grateful. The one she has to carry to China is very "Heavy"!

Desktop Computer Donated!

We are so grateful for the new computer that a dear saint of the Lord donated to our ministry! Thank You!

Don't forget to sleep with your armor on!

In Shanghai a beautiful color brochure was printed advertising the “Little Angel” Summer Camp. Featured throughout is the Star Family Singers Heart Club for Kids along with a sketch the of 8 Teachers that will help teach in this Summer Camp. In all 16 people will be making this flight to Shanghai. We would ask you to please mark your calendars for July 25– August 15 and pray daily for our safety and strength and anointing to meet the challenge of 250 young children 8-10 hours a day for 2 weeks. We’ve done it before in English, but this is our first effort in Chinese for some time. Please go with us by supporting us in prayer! “For without me you can do nothing” John 15:5

Crockett Elementary School

The China team did a practice run ministering together for the first time at a local summer camp for elementary kids. We did an opening assembly and then broke up into small groups. It was so encouraging to see how we each

flowed together in our perspective ministries, English, Art, Science, Drama, Puppets and just plain ol’ heart to heart sharing. You never know what royalty you minister to in a child!

We want to thank those of you who responded to the financial need for this China Mission trip. There are now 4 of The Star Family on this flight. Visas, Passports, and Tickets have all supernaturally come through to date. We still need travel expenses and home base monthly support.

Thank you each one for your love to us and the children of China!
