Dearest Friends,

We pray that you had a Blessed Christmas and New Year and that this newsletter finds all of you doing well.

This past Christmas season we really enjoyed ministering with the Children's Activity Center to the inner city children of Houston.

We went out numerous times on the CAT truck right into the complexes where the children lived. The truck has a screen on which we projected the Christmas story.

For some of the children this was the first time they had heard the whole Christmas story complete with the wise men. They marveled when we told them that Mary was a virgin. They all knew what that meant!

Of course each time we ministered we invited them to accept Jesus as their Savior. Only heaven knows how many gave their hearts to the Lord.

The Children's Activity Center had nice gifts that had

been donated to pass out to the children. It was a delight to be able to give each child in the inner city a gift!

At the Activity Center we were blessed to minister before they passed out gifts to 800 children!!!
