Camping Retreat!

Stephen took his youth group on a three day camping retreat . They went to Stephen F. Austin State Park where they had a glorious time in worship and in the Word of God out amongst God's creation. It's so special to take some time out with the Lord. All of the youth were touched. They also enjoyed the outdoors and playing "Capture the Flag" in the woods.!

The youth are very talented musically. Some had never played guitar before, but they applied themselves and with Stephen's encouragement they now have a very good worship band. Good Job

TCA Spring Conference Austin, Tx

It is always a blessing to minister at the conferences at Travis Christian Assembly in Austin, Texas. We have been doing one conference in the Fall and one in the Spring. We had 8 straight meeting with the children. It was a wonderful time of learning God's Word, Memorizing Scripture, Worshiping the Lord, Games, Crafts and Fun! The children are very attentive and hungry for the Lord. Many received their memory badges as well!

Answered Prayer!

"A little child shall lead them!"

Some of you may remember how in our last newsletter we asked for prayer because our camera was broken?!

When we ministered in Austin one day Stephen was showing the children our CD's and Coloring Books and the newsletter. He mentioned very quickly on the back of the newsletter about the broken camera. The next day Peter brought a digital camera for us! He said, "My family has two and my parents want to give this to you!" How awesome that he was attentive, compassionate & generous! Thank You! Pics in this newsletter courtesy of Peter & family!

John & Miracle singing "He Is Alive!" on the CAT Truck

John & Miracle singing on the CAT Truck stage

Stephen, Adria, Mercy, John & Miracle went out on the CAT Truck from the Children's Activity Center here in Houston, into the inner city to share songs and the Good News that Jesus is Risen from the Dead! The Children's Activity Center faithfully takes 3 trucks into the inner city to a different neighborhood almost every day of the week. They want to be there for the children when other things and people come and go. They are winning many souls and changing lives. We love to go in with them and minister the Gospel!

Spring Easter Festival New Zion Christian Church

New Zion did a great outreach to the community with free food, health screening, games, prizes and Easter Egg Hunt! It was great and we would love to see more churches reach out in this way! The Star Family was on hand to do puppets and songs and a few games with free prizes and tell the people that Easter is all about Jesus Rising from the Dead!

Urgent! News Flash! TV Program!

The Heart Club for Kids TV program has been offered the potential of reaching kids worldwide via a major Christian network. They are asking for a series of 13 programs. We have completed 5 to date. We need prayer and finances to complete 8 more and take advantage of this opportunity.

We have the equipment and studio, but we need to hire an editor. Would you feel led to help financially with this project?? This has great potential to preach the Gospel and encourage children to memorize scripture globally. Please pray about helping with this project! Thank you!

Behind the Scenes!

A little update of the Star Family Singers—Where are they now? Over a year ago we moved off the large property we had been staying on for 17 years! Needless to say it was a bit of an adjustment to cut down from 2 houses with 6 Bedrooms to a 2 Bedroom apartment. But God was so faithful and much of our excess furniture and appliances (we had 2 of everything—fridge, washer, dryer etc) were able to go on the Spirit Ship to bless Haitian believers!

Since then we have been back and forth between the little house in Houston and the apartment in Katy via the under construction I-10 Freeway. We have managed not only to survive, but to thrive in the Lord and ministry in spite of the present difficulties.

A great encouragement during these days have been you who continue to support us in prayer and giving. Thank You!

Our airfare, food and accommodations are provided. Is there anyone that would like to help sponsor passports for this team? We need \$300 for passports. Thanks for your prayers and support.
