Dear Friends and family,

We want to wish each one of you a blessed Holiday Season! We all have so many blessings for which we can all be thankful! We especially thank God for you our friends! God Bless You!

This past couple of months have been very busy with a lot of ministry! Stephen ministers 3 times on Sunday and Adria once. We also have been doing school chapels for two Christian Schools, and also ministering in three nursing homes each week. It has really been a blessing to minister to the young and old!

The children of Central Christian Academy are memorizing the scriptures for the badges and 8 have their first badge and 4 girls now have their 2nd badge!

We also did a 2 day retreat for the children of Seoul Baptist Church but forgot to bring the Camera! It was fun!

Each time we minister we give people an opportunity to receive Christ as their personal Savior and each of our TV programs has a prayer for salvation as well! So only heaven knows how many people are coming to Christ! We give Him all the glory!

We pray you have a wonderful and blessed holiday. For Thanksgiving we plan to spend time with our family, do a program and help feed the poor in the inner city.

Love and blessings to all!

## Extreme Room Makeover! we were "floored!"

God miraculously provided for the complete renovation of Mother Jane's (age 84) room which was in dire need of attention. Her grandson John Jr. came from California and donated two weeks of his time to do all of the labor! Wow! What a lot of labor! The floor was rotten and had to be completely taken out all the way down to the concrete slab and replaced! The wall to the bathroom also had to be replaced as there had been a leak in the wall! Whew!

We are so grateful to John Jr who donated labor, John Treadwell for housing John Jr, Davis Construction who donated the funds for the cabinet, sink and light and materials, Josh who donated the toilet, Ryan Courtney who donated plywood, and Allen Jenks of The

Carpet Store who  
donated the  
beautiful wood floor!
