New Zion Fellowship Fall Festival

This has been a very busy time of ministry! We have hardly had time to stop and do a newsletter! We pray you will be blessed to see just a small portion of what the Lord has been doing these past months. We appreciate your prayers and support.

Little Angel Summer Camp China 2007

Six of our family members were blessed to go to China with a team of teachers to do a two week English Summer Camp for children in Shenzhen, China! The children stayed for two weeks in the school facility and we had classes every day including Sunday! They learned English from several different perspectives which included an Opening Assembly with stories, songs and puppets, Art classes, Drama, Dance, Science Classes, PE, Manipulatives and English Grammar. Our main focus— though we helped with other classes, was the Opening Assembly where we shared.....

We can't even do the China Trip justice! It was a wonderful, awesome, miraculous, fabulous, blessed trip! We thank God for all He did! We have so many pictures we hope to make a book about the trip. But even that won't express it all!

Shenzhen Christian Church, China

We were blessed to minister in one of the recognized churches where revival is taking place! It was surprising to see so many Christian young people! We shared the Word of God, songs and puppets, the importance of accepting Christ as their Savior and scripture memory.

Here's the group of young people we ministered to. They were there for a Retreat. We ministered for more than an hour with songs, puppets, preaching and scripture quoting and an altar call. At the end we were mobbed for autographs!

Meanwhile back in the States.....

Stephen and team barely had time to stop with all of the ministry at home.

Most of the ministry team was in China....but that didn't stop Stephen. When Seoul Baptist church contacted him asking him to do a 3 day conference for the children he had a meeting with some of their youth and trained them to help him minister! Miracle was a real soldier and helped train the youth and led the way during the time of ministry!

Stephen also ministered at a Youth Retreat in Trinity Pines. As well while the China Team was gone they continued ministering each Sunday in two churches and doing 3 nursing homes on Wednesday, helping Mother Jane, repairing Adria's car and picking up the pieces from getting a team off to China! They stay by the stuff

As soon as school was out we began doing chapel each Tuesday at Camp Good News in Hitchcock, Texas. That was such a blessing! Souls were saved and lives were changed!

Korea!

A missionary named Erica Miller in Boondang, South Korea received the Hide The Word In Your Heart Information and was so inspired with it that she began having her students memorize scripture in English and earn badges! She even made coloring pages for each scripture. Look at these beautiful faces and notice the badges on their shirts!

Mercy, Amy & their friend Lacey

His Girl Conference Kingsland Baptist Church, Katy, Tx

Amy, Mercy and their friend Lacey did a great job of leading worship at the His Girl Conference in Katy, Tx. Amy played guitar, Mercy played drums and Lacey played keyboard! They all three have a heart for worship and were a great inspiration to the younger girls of the conference.

We are continuing to do chapels at CCA this year like we did last year. The kids are really on fire singing and worshipping and memorizing scripture!

New Zion Fellowship Fall Outreach

Twice a year New Zion Fellowship holds a big festival in their parking lot with hotdogs and drinks, moon walks, games for the children. They ask us to come and preach the Gospel through the puppet songs in English and Spanish, songs, object lessons and games. The children from FGKC came to help us minister.

A few of the Letters we have received recently via e-mail!

Hello, my name is Patricia Bryant. My husband and I are missionaries in Botswana, Africa with our two children (one more on the way). Some time ago, we were given a VHS of "Wise Man Robert". Well, I decided to put it in one day for our oldest daughter, Tshiamo. I didn't realize how much she could love this film. She watches it OVER and OVER and tries to sing (with her limited vocabulary) and dances when everyone on the film does. It brings tears to my eyes. Thank you so much for making this film and being faithful to the Lord in doing this. Bless all of you! How many films do you have?

Patricia Bryant

Hi Star Family Singers,
My name is Connie McClammy. I have four most adorable children in the world, and I home school them. Thank you for your letter about "Miracle Rose" and the joy you share on TV with your children. I cherish my children and husband big time and it's fun to see other people who do the same. My children are set up to memorize your verses starting next week when we start the new school year (Aug 20th). Thanks again for your program on the CTN Network here in Pensacola, FL. Sharing the Word with my children is a precious gift that I don't take for granted. Thank you again

The CD I got is We Are Blessed I thought. These CD helped me very much. I have arthritis. And I had to take each week 2 injection (I'm sorry for my English) But I was frightened. I had to go to a specialist, but I didn't like it. I thought: a specialist can't help me, the only one who can is God. But they said: do you have a picture of something nice? And do you have a nice CD? If you look to the picture, and listen to the music, you are inferred, and so the injection is over before you know it.

I took a picture of my little pony and your CD. After a half year, I knew the CD on the letter. HA HA (*meaning she memorized it*) And now, I'm not afraid any more for an injection. I don't have a picture or a CD. So thanks because it helped me so much.

Thank You,
Noomi Kok
Holland

(Her parents got a CD for her when they came to a conference in the United States where we ministered. and took it back to Holland)

Adria (is it your name..) I'm Wangli in Shenzhen, China remember me? (Sunny says Hi) When u see this email, I guess you've arrived in Houston right? Home sweet home... Could you please send me some photos in this summer camp? I wanted to but I didn't take my camera there, so I wasn't able to take any photos. Thanks!!!

I listened to your songs yesterday, beautiful songs. The songs make me feel relax and happy, I guess you also feel happy when you make these songs. Hope someday you will win the Grammy.

God Bless You

Wangli
