## Christmas 2007

The children of Korean Presbyterian Church of Houston did a great job singing, quoting scripture, doing puppets and a live manger scene. Also above you can see a photo of Miss Adria singing "O Holy Night".

Pictured right Miracle sang with Adria at the annual Christmas toy give away to the inner city children of Houston by the Children's Activity Center. Six hundred more children than they expected came and they needed to give away approx. 1,000 gifts! They did not have that many gifts! We were told to keep singing and doing puppets so that they could get the gifts to all of the children.

We would sing, do a puppet song, sing another song and then do puppets....we did the songs over and over and when it was all done God had multiplied the gifts and every child received gift! There was a big pile left over! It was like the miracle of the loaves and the fishes! Jesus loves the little children! Go to [childrensactivitycenter.org](http://childrensactivitycenter.org) for more.

Have you ever taken an Amtrak Train to California? Well Stephen and John decided to take a train trip to California to help Mother Jane go to her grandson Barak's wedding! They had a great opportunity to witness on the train and even traveled down to San Diego and did some ministry while Mother visited with some of her family! It was a great trip. Mother did well at 85 years of age and really enjoyed seeing her daughter and family and many family members who came to the wedding whom she had not seen in many years. She has 41 grandchildren and 30 great grandchildren. (a constantly changing #)

They arrived back in Texas on Christmas Eve. Stephen and John got out at San Antonio where they had Christmas with the rest of the Star Family with Adria's Dad while Mother traveled with her daughter back to Houston for Christmas. If you have the time, train is the way to go.

looking at you from the inside out!"

This particular week was a busy one! On Wednesday we did 2 Chapels at Central Christian Academy and then 2 Nursing Homes in the afternoon. Thursday, Friday and Saturday night we ministered at Seoul Baptist Church. Then on Sunday we ministered in three churches! But it is a blessing to minister for the Lord and share the Word of God. We love being busy for the Lord.

We had a real blessing as you can see from the photos are we shared and ministered to the children at the Seoul Baptist conference. They loved the music and really sang with all of their hearts. They were attentive to the Bible teaching and Word of God and enjoyed the games that reinforce the teaching! We had a fun time in the Lord! The last night many responded to a call for missions.

### Scenes from Chapel

It has been so inspiring to teach chapel twice a month at Central Christian Academy. The children are very eager for the Lord.

### Ministering at the Nursing Home with the CCA students

The children at Central Christian Academy do such a good job singing so we decided to share them with the nursing homes where we minister. What a blessing they were to the residents of two nursing homes singing fervently and quoting verses from memory. All of the students have their first and second badge in the Hide the Word In Your Heart Club.

The Star Family with Nick Vujicic who was born without arms and legs. What an inspiration and blessing he is to many! We got one of his DVD's "Life's Greater Purpose" and shared it with all of the children we have ministered to recently. It has touched and challenged and inspired them.

Nick writes on his website, "I was born without limbs and doctors have no medical explanation for this birth defect. As you can imagine, I was faced with many challenges and obstacles, but Praise the Lord He gave me the strength to have a burning desire to reach out and bring people to know Jesus as their Lord and Savior."
