Dearest Friends & Loved Ones,

We all send our love and prayers to you! We have had a wonderful spring, summer and fall of ministry with a trip to Las Cruces, New Mexico, two VBS's, and special ministry at 3 camps as well as our regular Sunday ministry and an International Festival!

The Hide the Word in Your Heart Club continues to flourish with mail rolling in with children and parents memorizing scripture and getting their badges.

Also we were so happy to visit the Hide the Word in Your Heart Club in Las Cruces, New Mexico where they are fervently memorizing God's Word! God Bless Mario and Lucy for all of their work with the club!

Love,

110 Kids Attended!

What a great week that ended with a camp-over Friday night and a Waterpark day at the church on Saturday!

All week we studied the life of Peter and learned many lessons and memorized verses!

Each day was a different dress up day: Crazy Hair Day, Crazy Clothes Day, Clown Day etc... The kids had a lot of fun and learned a lot about the Lord. One special day the Spirit of the Lord was present and many of the children came forward to pray and seek the Lord and accept Him as their Savior. It was beautiful.

Roly the Clown came and did a special performance. Thanks Roly! Artist, Sam Jones came and did great caricatures of the kids! Thanks Sam!

Pastor Song shared a very good object lesson with the children

The children really enjoyed the VBS songs and the Hillsong Songs

Each classroom was set up like a campsite with tents. The College and Youth did a great job of helping teach the children!

# VBS—New Community Baptist Church

100 Kids Attended!

This VBS was awesome! We loved the teaching from Answers in Genesis! It helped the children know the origin of sin & death, fossils, where different languages came from,

why Jesus came and what He did for us and what He will do, and how He's coming Again! The children learned the Bible is the History Book of the Universe! Amen!

## Trip to New Mexico

What a blessed trip to New Mexico, beginning with the Lord miraculously leading us to a nice Dodge van we rented to make the trip as our Sienna has over 300 thousand miles and we thought it best not to push it too hard! Casa De Alabanza a bilingual church in Las Cruces, New Mexico compelled us to come and encourage their thriving Hide the Word In Your Heart Club. There are so many children and adults memorizing scripture! It was very inspiring to see their zeal and love for the Lord! Below you can see some of the pictures of us with our host family, Mario & Lucy and children, who opened their

house for us to stay with them. Some of the children and adults have gotten not just one scripture memory badge, but many of them!

The Club began when the pastor's wife saw us on KSCE channel 38 out of El Paso and ran to phone the children's pastors to watch it telling them this is what we need in our church! (We are pictured with the pastors below just above the CDA banner) Also pictured is a mother who does not speak English, but challenged her girls to memorize the verses in English, which she did, even before her children!

## Ministering at three Summer Camps

Over the Summer we went with KPCH, Ye Darm and New Community churches to Camp Cho Ye twice and once to Forest Glen Camp. It is a blessing to go to camp with the children. This is such a special time to get to know them better and spend special time ministering to the children. It was a wonderful time of ministry and lots of fun!

Mercy, John and Miracle got to do a lot of activities with the children: archery, canoeing, paintball, crafts, swimming etc!

Alvin has his Bible marked with all the places where he has read! Good job Alvin!

He completed the entire Bible in less than a year!

### Cornerstone Ministry

Stephen has been ministering every Thursday evening to inner city Junior High Boys with the Cornerstone Ministry! It has been wonderful to sow into the boy's lives, challenging and rewarding as you see them come to Christ!

## International Festival

*"All the programs were filled with richness of your cultures, generous give-a-ways, and a phenomenal children's program!"*

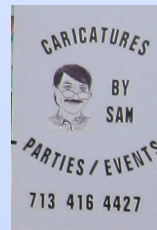

*What team work that was!"*

*Jason Kim*

*Metropolitan Missions Coordinator  
North American Mission Board*

What a thrill to be able to set up outdoors with about a dozen Asian churches to help with their first Citywide Outreach. The weather was great (which is a plus for Houston). It took the whole day from dawn to dusk, setting up, presenting the program and taking it all down. We had about 2 dozen children pray to receive Christ as they sat on the tarp. It was a great combined effort and witness to what can be done when Believers come together. "Behold how good and how pleasant it is for brethren to dwell together in unity." Ps 133

Thanks to Roly & Whimsy the Clown and Sam Jones the Artist, and Pastor Albert & Hi-bok Park for their help!!!

*"Suffer the little children to come unto me, and forbid them not, for of such is the kingdom of heaven."*

Hi Mrs. Adria,

I just want to tell you that we never stop thinking and praying for you. You are our inspiration to keep working with the Children's Ministry. We are still working so hard with the kids to help them to hide the Word in their hearts. Sometimes it's hard but we are trusting the Lord. Now we have around 70 kids every Sunday. We are so happy because finally we have a projector, a microphone and speakers for praise and worship. We have 4 adults that earned their first badge!!!

We also have a soccer team with the children. That gives us the opportunity to have fellowship with the families and invite other families from the community.

We are so blessed and so thankful to the Lord for all the things He does. We love you so much and you have a special place in our hearts. Ximena, Clarivel and Jair said hi to Mercy, John, and Miracle.
