"Ministry, Ministry, Ministry"

Dearest Friends & Loved Ones,

Oh My! We're sure some of you are wondering what happened to us! Are we still around? You haven't heard from us in quite a few months!

Yes! We are still here and still ministering sometimes 8 to 9 times a week or more! Last year 2008, we counted about 350 Gospel Meetings. Recently, we've done a few outreaches, children's revivals as well as inner city ministry, nursing homes and the ministering we do on Sundays!

We will try to do a little catch up with this newsletter to let you know what has been happening before the summer begins with all the Vacation Bible Schools.

For those of you who have been praying for us and faithfully supporting us even without getting a newsletter, we want to express our heartfelt thanks! All that we do would not be possible without you. Thank You! Thank You! Thank You! And may God abundantly bless you!

Love,
Stephen & Adria

Pablo's Hats

We do 2 Chapels every other Wednesday at CCA which have been so much fun! We've had great times together learning the Bible and learning lessons through things like; watermelons, apples, lambs and Sombreros! The kids were animated during worship, we couldn't catch a good picture! They were all blurry! Also, as you can see in the pictures they memorized a lot of Bible verses!

Glory to God!

Gracepoint Church

At Gracepoint we held a 3 day Kid's Crusade where John, Miracle and Mercy helped lead the way. John is quite a puppeteer with his new puppet "Ryan". Mercy and Miracle always "fire up" the kids. Thank You Lord for children who love to minister. As always we gave the kids invitations to accept Jesus as their Savior and to make Jesus Lord!

Cornerstone Ministry

Each Thursday at 7PM you will find a lively group of children and youth using the gym at New Community Baptist Church. Stephen has had the joy of teaching the Bible to interested 7th Graders! They really ask some thoughtful questions—Come by and see sometime! God Bless all the volunteers that make this outreach to the youth and families in the Spring Branch community possible.
