Dear Friends,

Here we are at the end of another ministry season reflecting back on all of the great things the Lord has done! "The Lord hath done great things for us; whereof we are glad!" Psalm 126:3

We would like to share a few of them with you to glorify and magnify the Lord! "O Magnify the Lord with me, and let us exalt his name together."

Psalm 34:3

Please read on and be blessed by all that the Lord has done! Thank you very much for all of your prayers, love and support! This is a team effort. We can't make it on our own. Thanks for teaming up with us to reach children and families for Jesus!

## All 12 Badges!!!

Congratulations to Mercy LeBlanc of Mc Kenny, Virginia who completed memorizing all 12 Badges in the Hide the Word In Your Heart Club! Approx. 200 verses!

She started memorizing the badges in July '09 and completed them in January 2010!

## New Home For Christmas!

It is so wonderful how the Lord cares and provides the needs of His children, and even fulfills their desires. We had long desired to have a larger home with three bedrooms, so that John could have his own room. We had been living in a two bedroom town home which had been, though small, a great blessing, but now we felt we needed more space. Little did we know it but our next door neighbor was looking for someone to rent her house! Through a series of miracles and a faithful friend we moved into a very nice 4 bedroom home just in time to have Christmas with all of our children and their families. All made it home except for Laila who lives in San Francisco.

*Christmas Program at KPCH*

*Christmas Program at Children's Activity Center*

We sang & shared Jesus with inner city children bused in by the Activity Center. Each child was given a nice Christmas gift donated by local churches.

## Chapels

*Stephen teaching during chapel at Central Christian Academy*

We had some terrific chapels this year at Central Christian Academy. You should come and see them sing and shout and dance for Jesus! They love the singing and teaching. We love them and we all love Jesus! We had a great time doing 14 Chapels this school year. God Bless that dear little school, the staff and teachers!

"My 8 year old daughter, Shayla, has just completed the verses for earning badge 3. I know it's always exciting when a child has hidden another 10 verses of God's word in their heart, but it's especially great for us. You see, my daughter has many learning disabilities. At six years of age, the "experts" in the school system, estimated that she was functioning at an 18-24 month old level. Fine motor skills, such as writing were very tiring and tedious to her. We use your earning badges program for our homeschool. Shayla is always so excited to receive your packages in the mail. She loves to wear the badges everywhere we go and it's exciting to see her tell others about your ministry and Jesus. Thank you for your great program,

Dearly Beloved,

Greetings of love to you and your entire team. I am writing to acknowledge the delivery of the box full of children materials. I got the materials on the 24<sup>th</sup> April, 2009; it arrived Calabar earlier than that but it was in my State Secretariat before I was called. Thank you for deciding to sow in my Ministry, also for your words of encouragement and burden to see my Children Ministry succeed.

I am very glad to hear that your wife has taught the story of Mary Slessor. Coincidentally your Ministry is extending to this part of the world now. Indeed, it is the Lord's doing. Perhaps, you will one day come in person if Christ tarries.

I must confess, I am blessed with the materials and my Children Ministry has taken a new shape. I can say that God led me to your Ministry for help. The materials shall be put to proper use. I shall continue to write you and give you feedback on how the material is helping me in the work.

Already, other children workers are pleased with what you have done and are demanding your address too.

Enclosed is the picture you demanded for, these are just some of the children in my own church I pastor.

I oversee six different churches in my zone with time I shall send the pictures of children in remaining five churches.

Thanks and God bless your effort in reaching out to children.

update

Dear Pastor Steve,  
22/1/2010  
Calvary greetings to you and the entire members of the Star family. Welcome to the year 2010 its my pleasure to write and thank you again for being used by God to help my children ministry last year. I want to also let you know how the materials has helped my work.

- Our monthly bible club was successful using the materials you sent, children from the neighborhood were also involved.
- We held a week-long children week in the month of October, our plan to take the children to Obudu mountain resort for excursion could not work, we're hoping that by God's grace this year it will work.
- The Lord increased our number and added more workers to us.
- The children are becoming interested in the programmes as they learn the song and memorise scriptures. So on behalf of the children department of my local church (Charismatic Renewal Ministries), we say thank you and may God prosper your work tremendously this year.

Please keep us in your prayers and let's believe for souls saved, lives touched that will never be the same because of Jesus!

Mercy is graduating Cum Lade from Lutheran High School North May 29, 2010. She has done remarkably well as she only transferred there this year. She was inducted into the National Honor Society and will graduate wearing a NHS stole and honors chords.

Pictured in the front left is So-hee! She has been staying with us since her mother had to return to Korea. She's a delight to have in our family.
