Dearest Friends and Family,

Here we are at the close of 2013! We were wondering why we hadn't done a newsletter until now! When we counted up the meetings we have had we understood why! We have ministered over 225 times this past year! Wow!

As well, our television show is still airing on satellite and other stations. We send out CD's and prizes to those joining the Hide the Word Club via the TV Mail.

From school chapels, to park outreaches to nursing home and churches with His help we have blazed a trail for Jesus. Doing what we can to bring Life, Love and God's Word to the hearts of young and old.

We are grateful for the awesome opportunity and responsibility to "hold forth the Word of Life," to this generation.

Thank you for your prayers and help.

Fall Camp In!

We had planned a Fall Camp Out...but it was wet, cold and rainy so we had a "Camp In!" We set up tents in the gym, had devotions, campfire, Bible Bowl competition, games, and a little sleep! The Lord touched the hearts of the camping facility where we had booked and they transferred our reservation to March! Praise the Lord! See You then!

Nursing Home Ministry 2013

Campfire at the Camp In!

Each month we have been helping the Peniel Nursing Home as they go to assisted living facilities. The smiles and gratitude shown always make you glad you went. Jesus Loves the Elderly!

School Chapels

Squanto the puppet

Mr Steve and Miss Adria donned black and white to share the story of Joseph, Squanto and the First Thanksgiving Miracle. Once a month we do chapels in two different Christian schools using action songs, object lessons, puppets and power points. Above Adria teaching on grace using an urn that keeps pouring out water! Above left Stephen prays with the children to receive Christ. Bring the children to Jesus!

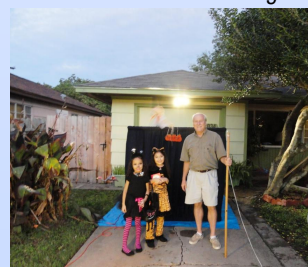

Hallelujah Night-Fall Festival

As an alternative to Halloween we did a Fall Festival with carnival games and piñata. We shared the Salvation story of the boat twice owned! Hope church which rents the facility, joined with us for fun, candy and games!!

Once a month we help with an outreach to the immigrants who wait in the park for work. They get a meal and ministry. We take our puppets, object lessons and rusty Spanish! God can do a lot with a little! The puppets sing in Spanish with no problem! Olé!

Halloween Outreach

For many years we closed up our house and didn't do much for Halloween. Last year we had a turn around! We decided to "Let Our Light Shine!" So again this year, we set up our puppet house and manger scene. When the kids came to our home they got to throw their fishing line into the puppet house to catch a bag of candy with a Gospel Tract in it! The night was complete with Christian Children's Music and a few puppets dancing! Stephen amazed all of the children by catching an imaginary ball in a paper bag, complete with the thud! Snap of a finger!

Children's Activity Center Thanksgiving

What a blessing to be able to minister to the inner city children the CAC bussed

in for a wonderful Thanksgiving meal complete with desert! We shared the stories of Joseph and Squanto, how they were both sold as slaves, forgave their enemies and were used to save God's people.... how God gave them grace when things happened they didn't understand and how God will give us GRACE!
