Dearest Friends and Family,

Here we are at long last after remodeling and moving our home and office and overcoming some health challenges!

Pictured above is our “home team” after Mercy got married to Duc, and Melody moved to San Francisco.

Over 30 people converged on the home Stephen grew up in to remodel it and make it livable and turn the garage into the Heartclub office.

We are so thankful to our friends and family who have helped us tremendously during this time! We surely would not have made it without each one of you!

There is more ministry planned for the summer, a VBS and maybe a trip as well.

Thank you for your prayers and financial support....together we can reach the world....

Stephen & Adria

The Hide the Word In Your Heart Club has spread in a Spanish speaking country and there are currently over 650 children learning all 12 Badges!

Bible Bowl Champions!

The 7th and 8th grade team that Stephen coaches won first place in the annual Bible Bowl competition. The 5th and 6th graders got 2nd place! Great job kids!

Thanks to Trinity Klein the competitions continued even though Marty Miller, the long time (30 Yrs) moderator retired .

Each week we set up the buzzers for the kids to practice answering the Bible questions! What a fun way to gain Bible Knowledge

Stephen took the Bible Bowl student to the Dunham Bible Museum at Houston Baptist University. The History of the Bible visually and actually displayed. Check it Out! It's free!

School Chapels

Adria sharing the story of Treasure the Lamb and how Jesus made us accepted in God's Family.

Teaching with power point at TCS

Using Power Point presentations, puppets, object lessons and lively action songs we did Chapels in two Christian Schools this past school year.

Cornerstone Family Ministries

One of the highlights of this past year was working with these inner city kids. When we first began the kids were so rowdy we wanted to quit! We have ministered more to school children or church children. These kids were very different! But the Word of God has no boundaries! As you can see by the pics the Lord touched these wonderful kids! They learned so many Bible Lessons and memorized the Ten Commandments and two other scriptures. We were shocked to learn the kids do not know the most basic of Bible stories like "Adam & Eve" or "Noah and the Ark"! We must really reach this younger generation with the "Good News"!

Teaching scripture with hand actions

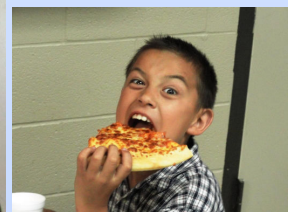

They received "Big Ten" wristbands for knowing the Ten Commandments

John helping lead the songs & Zach, a student fired up!

The kids doing Praise songs with us!

Each week they give the kids Pizza!

Outreach

Each week we pick up bread from a local "Panera" with which we are able to bless a few ministries and schools. Pictured above are the ladies who help pass out the bread, and Stephen ministering to the day laborers who are always grateful for the food and friendship!
