## Heartclub Goes to Haiti July 23-30!

Dear Friends,

It all started when Pastor Antoine Telus invited Paul to come help with his Pastor's Conference in HAITI. Adria said, "Why don't we do a **Kid's Crusade** along side!" That note quickened an immediate response-**Yes-Yes-Let's do it!** The Lord provided the airplane tickets so we are flying out July 23rd!

We are excited to once again bring the Heartclub to this struggling island, hit by hurricane flooding and still reeling from the massive earthquake a few years ago.

Many are still in tent camps around the island as hundreds of concrete structures have had to be torn down as unfit for habitation—yes, even dear Pastor Antoine's church fell victim to the earthquake! Yet, he is starting to rebuild!

In the 90's the Hide the Word In Your Heart Club was flourishing across the island. Many of those young children who were members then now have families of their own. Some are pastors. They want to see a Revival of God's Word sweep their churches and children today as it did then.

They are eager to get the children into scripture memory once again and only ask for the tools and materials to help make it happen. Paul and Adria have offered to go and bring whatever we can send.

**Will you join with us** in helping "re-build" this fallen country one heart at a time through the Hide the Word In Your Heart Club Program?

"As lively stones built up a spiritual house to offer up spiritual sacrifices acceptable to God by Christ Jesus." 1 Peter 2:5

We need to bring the badges and prizes to distribute. Those of you who are familiar with this International Club know it is a very effective tool in bringing children to Christ and raising them in the Word of God. No man or child is poor who has God's Word in his heart! Ps 19:10  
What is Needed:

1. Hundreds of **patches** to give those learning scripture. We have stepped out in faith and ordered 1,000 @ .35 cents each the best price possible. We expect these to be used up in the first month! We will order as many as we can. *(For overseas clubs we have found **cloth patches** more economical and much easier to send than the traditional metal backed pin or badges)*
2. Tracts and fliers in Creole (Haitian) to distribute.
3. New Testaments and Bibles in Creole.
4. Bible Coloring Books
5. Children's Illustrated Bibles
6. Loads of smaller prizes to give those learning scripture.
7. French or Creole Children's songs for the puppets.

Will you please consider sending something special to help this happen?

**Please remember to pray for this little Mother and Son team** as Paul and Adria venture south to hold forth the Word of Life and shine as lights in the night. Pray God will raise up hundreds of little children for His Glory to shine for Him!

We really appreciate you praying about anything you can do to help make this possible. We have stretched our faith and finances to do what we can....yet there are still things we would like to order and get right away like more patches, children's tracts in Creole, Puppet songs, candy for prizes etc.... And we need to get them right away!

Since it was more economical to fly into Dominican Republic we still need to cover the cost of the bus tickets into Haiti and airport taxes. We are trying to do everything the most economical way we can. Thank you for helping!
