Heartclub goes to Haiti

Dearest Friends and Family,

Here's one of Stephen's favorite pictures of the two of us! He likes the windblown look! Adria doesn't like the wrinkles!

The cute puppet song we do called, "Inside Out" says, "When I look in the mirror, I see my body and my face and my hair. And I have to confess that I'm often a mess and I don't like what I see there!"

Sometimes do you ever look in the mirror and say, "Who's that?" That's not the way I think I look! Thank God, He's looking at us from the Inside Out!

He's perfecting that which concerns us and we are changed into the same image from glory to glory! Phil 1:6; 2 Cor 3:18

We pray you are blessed. Thank you for your love and support.

Scenes from Son Treasure Island VBS

A One week long Vacation Bible School complete with Action songs, puppets, object lessons, Bible teaching, scripture memory, crafts, games and lots of fun! Our home team, including Stephen, Adria, John and Miracle ministered accompanied by Duc, Mercy & Ashton.

Heartclub goes to Haiti

Paul our son was going to Haiti and wondered if anyone wanted to go with him. Adria volunteered and many of you helped us get patches for the Hide the Word In Your Heart Club and prizes. Your generous gifts helped with the air fare and expenses! Thank You! Souls were saved, lives were touched and many children blessed! The blessing is continuing as the Heartclub is growing!

Prizes for the kids of Haiti given by the VBS staff and children

Paul with Pastor Antoine and some of the pastors he oversees. They memorized scriptures in the Heartclub as young men and now they are pastors!

Adria ministered to the children in Grand Goave and Petit Goave, leaving patches and prizes for those who memorize scripture. We now have 9 different patches made and have sent over 1000 to Haiti! They learn fast!

The kids were so eager to get their badges! We couldn't keep up with them! The boy to the right, Abdias, had gotten our memory book in French and had memorized 8 badges without ever getting a badge or a prize! We sent him the badges with a missionary pilot when we got home!

Left to right: Paul preaching in Haiti, Pastor Paul Edouard Shu Shu and a brother wearing our extra VBS shirts! Children listening to a "Proclaimer" which has the whole New Testament in Creole dramatized, Adria doing her laundry!

"Somethin' Good 'n' the Hood"

The Interns this summer caught the vision for memorizing scripture! Everyone got several badges. Ricki on the left got 11 badges! Leslie on the right is catching up! "Thy Word have I hid in mine heart, that I might not sin against thee." Ps 119:11 Walking Faith has a wonderful ministry to inner city children. Check them out at www.sgnh.org

Back to School Backpack Give Away at Walking Faith. We went to help do a program for the kids while the parents had a program. Then the parents received clothes and furniture and the kids got free backpacks! We started teaching them Psalm 23! They have a goal to see 500 kids from the inner city learn Ps 23 by memory!

We ministered at the Annual Korean All Church Celebration of Houston. Scripture Scramble—How fast can you put the verse in order?

Uh Oh! We ran out of space! Space fails us to put in the pictures we have of school chapels, nursing and retirement homes and park ministry! We've been trying to put up a little news on the blog on our website! So if you have time check it out! www.heartclub.com/blog It's so wonderful to see God's Word going forth into the hearts of families, children and youth. We are raising funds for more patches and prizes to give to those learning the verses. Anything will help toward that goal. Thanks for your prayer and support. Mt 24:14—Hab 2:14
