Dear Friends,

A glance in the rear view mirror, looking back over the landscape of last year we see many peaks and valleys on the road.

Stephen has been in amazingly good health this past year! Thank you one and all for your prayers and those who have donated various supplements to help him—not one cold or sickness! Glory to God!

We were surprised to see that with the various school chapels and summer school for the month of July as well as a major VBS and our regular Sunday ministry we tally over 300 meetings this year! Wow!

The Lord is the strength of our life." Psalm 27

The Hide the Word in Your Heart Club is still on the move with the TV programs in the US and new clubs in Haiti and Cuba!

Thank you for all of your prayers! Have a blessed 2017!

Hide the Word In Your Heart Club

Cuba

The HWH Club has expanded in Cuba to over 20 churches, thanks to Pastor Robert Park and his daughter Jeanna and his LIT ministry. We have known her since she was a young girl. She was inspired to team up with her Dad's ministry and take the club to Cuba where it has exploded! The people are very hungry for the Word of God and know that it is their strength in time of need.

Thanks to Rosa and her sweet family we also were able to send the Open Your Heart CD in Spanish down there! They are working on recording Cry Out and Shout in Spanish which should be completed very soon. If you would like to learn more about LIT International go to: www.litinternational.org

Haiti

The HWH Club is going strong with Pastor Paul Edouard Chouchou's leadership. We were able to send 100's of club patches, prizes for those learning scripture in French and Creole thanks to a veteran missionary pilot, Joe Hurston. The need is very great in Haiti. Haiti contd.

With our son-in-law Duc's help and CLG church and our ministry we were able to send a special Christmas offering of \$300 to bless the Haiti church. All of the children got a Christmas gift and a special dinner.

Open Door Mission

Stephen's good friend Ryan, from High School is part of a group of men that grilled steaks and made dinner for the men of Open Door Mission. Ryan invited us to sing on their program. It was a great blessing! No pics tho! www.wakingthepassion.com/leadership
