Dearest Friends and Loved Ones,

We just finished a wonderful VBS called Mystery Island! Here's a picture of Miss Adria dressed up like a pirate!

The Bible teaching and the apologetics in the VBS were just wonderful! The Bible lessons included:

1. **God is Great-** Paul in Athens and the Unknown God,
2. **God Is Almighty-** Jonah,
3. **God is Ruler-** Isaiah's Vision of the Throne in Isaiah 6,
4. **God is Emmanuel-** A Gospel Presentation, and
5. **God is Trustworthy-** David and Goliath.

We learned terms like OMNISCIENT, OMNIPOTENT, OMNIPRESENT, SOVEREIGN and HOLY!

John helped me record the Creature Features and I made the videos. They were awesome and

so very interesting. You can view them on my YouTube page—Adria Star.

The kids brought offerings for the Child Hunger Fund and raised enough money for 1,000 meals to help poor children!

It was so good to be together in person and see the Lord move in the lives of the children!

Love and Prayers,

Adria
