Miss Adria

Here we are at the end of Summer 2022! It has been quite a hot summer here in Houston! The heat and humidity makes you very thankful for electricity and air conditioning! We pray all of our friends are doing well and keeping cool.

The Vacation Bible School this year, Zoomerang, featured Australia. Above you can see me in a unique hat with corks that sway as you move and shoo away the flies! I'm told there are a lot of files in the Outback!

It was really interesting learning about Australia and Returning to the Value of Life which was the theme of the VBS. So refreshing to teach about the Sanctity of Life and how each person is precious, uniquely made for a pur-

pose, on purpose. You are not an accident!

The Bible Bowl Bells came in handy during each day's quiz! Our puppet friends came out to sing songs each session. It was good to see them back out dancing and singing!

The youth did a great job with the Crafts, Games, and Snack time and being all around helpers! Thank you youth!

The Last day of the VBS was an especially very precious time as the Holy Spirit moved and touched us all, young and old!

Singing with Peniel Nursing Home Ministry

Each month we go to a Retirement Home to minister to the residents. It's quite an inspiring program with a Korean traditional dance, line dancing, a sermon and special music. I have been blessed to minister a short message and object lesson and sing "Strength In the Name of the Lord". My long time friend, Sia Beaton, joined us to sing a solo as well. (pictured right)

Star Family Ministries is a non-profit organization ministering to children, mentoring youth, helping families, and encouraging the elderly. All gifts made out to Star Family Ministries are tax deductible.
