

The Star Family Singers at the World's Fair, Knoxville, Tenn. Here we are after a performance at the Philippine Pavillion. The Fair has been a real mission field and we have had so many wonderful witnessing opportunities with people from all over the world and nearby too!

The children's presence was quite a novelty, singing songs in 5 languages. Thanks be to God for a real display of Power and Energy, the Fair's theme. "But as many as received Him, to them gave He the POWER to become the Sons of God." Jn 1:12 "His Word was with POWER..."

Luke 4:32

Since the "accident" (March '82) Knoxvilleans have been so interested in how the McCartys have recovered - here after our first FAIR performance Daniel and Menorah were filmed on 3 major TV stations, reaching Tennessee and four of the surrounding States. Their children performed and quoted Scriptures and sang "Everything Is Beautiful". "...To give unto them Beauty for Ashes, the oil of joy for mourning, the garment of Praise for the Spirit of Heaviness." Isa 61:3

The U.S. Pavillion presented us with a plaque of appreciation for our popular performances there. ➡

Our little Dancing Princess leading them gently into His Kingdom- "For of such is the Kingdom of Heaven"

The Italians were quite warm and helpful, as usual, giving us the use of their stage where we sang to thousands.

Thank You Lord for the privilege of singing for so many people at this year's World's Fair. Every show you could see people wiping tears from their eyes as they saw the children singing to God's glory day after day.

Regina singing while sitting in the lap of one of the Philippine Folk dancers at the World's Fair. We spent some sweet times with the dance troupe from the Philippines where we sang on stage with them several times. 8 of them came to know Jesus through our witness. "They that be wise shall shine as the brightness of the firmament and they that turn many to righteousness as the stars forever." Dn 12:3

Here is Paul dancing with the Philippine Folk troupe at the close of their show. We became fast friends with them all and the children had a great influence on thousands more at the World's Fair. Dozens have come to us after our show and said, "You have just made our trip here worthwhile. May God bless you."

Promise and Yasmina, born in Arabic countries are happy to meet our friend at the Saudi Arabian Pavillion in the World's Fair. The Arabic flavor and influence was greatly felt at the Fair this year.

الحمد لله

Little "Gina" with the Egyptian dance star, sharing together after her performance. It was such a wonderful time to renew our vision for the Arabic people of the world.

Several of us have begun Arabic studies at the University of Tennessee in preparation for future trips to the Arabic countries.

Miniature Mecca- Saudi Pavillion

(above left) ➡ Mecca is the capitol of the Moslem world and center of worship for 1/3 of the world's religious population. We spent several years in these countries and the Call To Prayer from the Mosque always tugs on our hearts to pray for these people and LOVE them into the Kingdom. Here is a miniature replica of Mecca where millions of Moslems pray every day. (Found in Saudi Arabian Pavillion)

(below) The first week of September we spent doing shows at the largest Mall in Tennessee, West Town Mall, here in Knoxville. The show was advertised in local papers and on T.V. The crowd was quite responsive and we have added someone new to our show, "Happy Clown" - Micah! Here he is skateboarding through the Mall, rightside up and upside down. Pictured below on the right is Adria, "M.C.'ing" our puppet show. The International Puppet Family took us all on a tour of their countries with music and dance. But they let us know the heart of man is always the same and always needs LOVE. The crowds were delighted with the daily shows and it was a real witness. Again, the children were the greatest attraction with their International songs.

"Happy Clown" glides through the Mall. That's little Faithy, our baby "puppet". ➡

Paul with Little Richard in Chattanooga. The ex-king of Rock-n-Roll tells us clearly, "Angels don't sing Rock-n-Roll! ... Hallelujah! He's "soul-ed out" to Jesus now!

That's the only Rock 'N Roll I know." We really enjoyed his testimony. What a miracle--"Giving thanks unto the Father...who hath delivered us from the Power of darkness, and hath translated us into the Kingdom of his dear son." Col 1:12,13

(Right) Here is the entire Family next to the Big Blue Bus the Lord so miraculously provided for the team since we came to Knoxville. With a couple dozen travellers for the Lord, w surely needed it! In fact, Brother Osteen of Lakewood Church prayed for us only weeks prior to this that God would give us the very biggest and best. --Hallelujah! It happened! "No good thing will He withhold from them that walketh uprightly. Ps. 84:11

QU'EST-CE QUE VOUS PENSEZ DE LA FRANCE? Daisey and T.L. Osborn asked us, "What do you think of France? From there we were invited to share some of our witnessing experiences in Europe and N. Africa as T.L. asked questions and gave his own comments and testimonies as well. It was a blessed experience for us; one for which we had prayed since hearing them over Easter at Brother Osteen's Church, Lakewood in Houston. What a thrill to learn they both speak fluent French and share our burden for the French people and Moslem Arabs. "One way! One job! The only way is Jesus and the one job is soulwinning." (from T.L.'s

book, "Soulwinning") Paul and Stephen here sing, "Jesus Really Loves You!" as T.L. and Daisey look on. God bless them for their faith and encouragement to us "little people". Daisey calls us the "Soul Winners". May we be true to that name forever. Amen! (This evening is recorded on cassette and available upon request.) To the Left is Paul with "Little Richard" after his appearance in Chattanooga. He told us he and Bob Dylan would possibly be doing an album together soon. Pray for him. Have you heard his testimony on tape? Wow! Powerful! Little Richard says, "I'm standing on the rock (Jesus) and my name is now written on the roll (in Heaven)
