## ★ STAR OF THE MONTH!

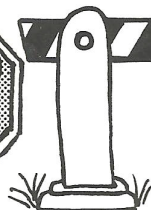

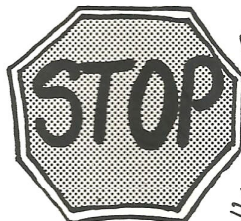

As a teenager, I memorized scripture as I went to church every week. I was inspired by my father who was in the Navigator's Bible Memorization Course. Later,

when I was in the Army, I would memorize scriptures every Sunday. A number of them were scriptures found in the 12 Badges of the Hide The Word Program.

My challenge to you is that hiding the Word in your heart and memorizing scriptures is more than a deed or more than just doing something. I firmly believe memorizing scriptures changes your mind. The Bible says it renews your mind and changes the way you think.

Today, especially in the public schools, everything except the Word of God is being put out to you. If you really want to serve the Lord, be strong in the Lord; above all, be a witness and testimony to those people around you and make a difference to change peoples lives, you need to think different than the world thinks. You can't do that unless you are being what I call 'reprogrammed'. Whatever you put in your mind, your heart, that is what you are going to be. "As a man thinketh in his heart, so is he." I have visited some public high schools and the very air around the place is, you might say 'anti-God', because the devil has tried to take God out of the public school. The only way we can make a difference is to have the Word in our heart. It changes the way you live and your behavior. The world wants to see Christians living the life and not just talking it. *Pray for our mission this summer, Romans 15:30!*

We are thankful for the blessing of Channel 22 here in Houston KLTJ and for our dear friend Brother Thomas who has encouraged us to do more new TV programs for children. Last month we spent two days in the studio filming 7 new programs, one in spanish. We are recording extra for the summer.

We were blessed to participate in a one month project of reading the entire Bible out loud in downtown Houston. We were privileged to read

the beginning and the very end. It took them one month to complete it reading four hours a day.

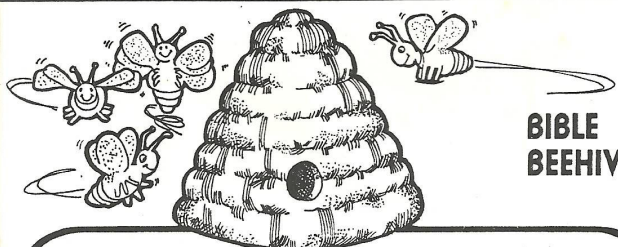

This summer we will be ministering in California at three different Chinese Conferences. We are praying about going to Bulgaria and Romania in the fall. Please pray for God's will and needed funds. Also, Antoine has been praying for us to come to Haiti. The Lord's Will Be Done!

How many Be's for be-lievers can you find in the Bible? One little girl named Jewell Moore found 119! She wrote them all out by hand. She is eight years old and took one school week to complete the task. Why not write out your 10 favorite "Be's" for "Believers." Send them to us and we'll mention your name in the next issue and share some of your favorite "Be's". Keep reading your Bibles Daily (Acts 17:11) and meditating on God's Word Day and Night (Josh 1:8 & Psalm 1:1-3) Help Mom and Dad to read the Bible together as a Family. We can only do that if our response to life's situations is from the Word of God. This can only happen when the Word is active in our mind and in our hearts. If you really want to make a difference and be more than just a mediocre believer, you need to hide the Word in your heart. You need to memorize scriptures. Then when you

are under certain situations, you can react, not according to the flesh, nor according to what you think is right, but according to the Word of God.

Andrew has earned all 12 badges and has been presented with the Little Preachers Diploma. Keep on Hiding the Word in Your Heart!!

# A Moment With Mother

MATTHEW, MARK,  
LUKE AND JOHN-

This is where we really get to know what Jesus is really like. Through knowing the Written Word we can more fully experience the Living Word in our lives.

Those who know the gospels well, desire to become more like Jesus and to do the works that He did. There are 89 chapters in the four gospels. We can read them through in one month by reading 3 chapters a day. Or, if we only read 1 chapter a day along with our other Bible reading, we can read through Matthew, Mark, Luke and John every 3 months. This means 4 times a year you can read the entire words of Jesus. What could be more important than that? Memorizing the words of Jesus, and meditating on His goods deeds can change our lives and

transform us in to His image as we behold Him in His Word. Let us set a goal or make a quality decision to become better acquainted with Jesus through the eye witness account of those closest to Him in His earthly walk, as Matthew, Mark, Luke and John. For many years I have been quoting the prayer of Jesus in John 17. Also, other chapters in John's Gospel such as 1,3,6,10,14,15,&16. This guides my thoughts and actions each day. It is only the beginning. I want to know Him better and do even "greater works" as He has promised in His Word. Hide the Word in your heart and memorize the Words of Jesus. Start with the Sermon on the Mount in Matthew 5,6&7. One outstanding preacher of our day said that his slogan as a young Christian was "Read the Red". So read the words written in your Bible in Red and come to know the real Jesus and do the works that He did! Hallelujah! Amen!

Much Love and Prayers

## TO THE TEACHERS

(This column is for leaders, teachers and workers to share tips that help in hiding God's Word in our hearts. If you have any ideas or suggestions please write.)

The children in our club meet for an hour on Sunday evenings to study the verses for our badges. We start with a few praise songs or songs that have the actual verses in them. We do things that make the learning of God's Word fun and exciting. In one game we have all the kids in a single line, the one at the head of the line, shouts: "For by grace are ye saved, through faith and that not of yourselves; It is the gift of God, not of works lest any man should boast. Eph. 2:8-9, Go to the end of the line." They try to say the verse quickly and get to the end of the line fast. The rhythm of it seems to help the smaller ones learn it.

When we are going to begin a long section of scriptures, we start with one verse at a time. Each time they

say that one verse correctly they get a small sticker and can put it anywhere, on their clothes, nose or shoes.

We make posters to put in the kid's room. We write the verses in Secret Code letters and Mystery Words. There are ideas all around us. Keep your eyes open. Be observant and ask the Holy Spirit to open your eyes to new methods to challenge your children.
